

Immunization Update 2012

2-Hour Live Webinar CPE Activity

Wednesday, August 29, 2012

7:00pm - 9:00pm

[Click Here

Pharmacists who administer immunizations to their patients know that immunization guidelines change often. Keeping current with the latest information is imperative for pharmacists making recommendations to patients regarding their immunizations. Participate in Immunization Update 2012 to prepare for the influenza season and learn about the latest recommendations from the Advisory Committee on Immunization Practices

Upon successful completion of this knowledge-based CPE activity, pharmacists should be able to:

1. Discuss new 2012 Advisory Committee on Immunization Practices (ACIP) recommendations and changes to the Center for Disease Control and Prevention (CDC) Pink Book regarding adult and pediatric immunizations
2. Review influenza vaccine considerations such as characteristics, schedule, contraindications, and precautions in preparation for the 2012-2013 season
3. List the steps for appropriate intradermal administration of the inactivated influenza vaccine
4. Evaluate a patient's immunization history to determine appropriate vaccine recommendations based on the appropriate immunization schedule

Faculty:
Miranda Wilhelm, PharmD
Clinical Assistant Professor
Southern Illinois University Edwardsville School of Pharmacy

Activity Fee:
\$24.99 per participant

Dr. Wilhelm reports no actual or potential conflicts of interest in relation to this continuing pharmacy education activity. She has also indicated that off-label use of medication will not be discussed.

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Universal Activity Number (UAN): 107-000-12-068-L01-P 0.2 CEU/2.0 Hr

Target Audience: Pharmacists

To obtain 2.0 contact hours of continuing pharmacy education credit (0.2 CEU), participants must participate in the live webinar activity, then complete the exam and evaluation located in your online portfolio. A CPE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the exam and completion of the activity evaluation*. You may print this CPE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time. If you have recorded your CPE Monitor e-profile ID in your CEI profile prior to completing this activity, record of your successful participation will be sent to CPE Monitor within 45 days. See www.GoToCEI.org for more information.

**CEI provides you with two (2) opportunities to complete the exam. If there are two failed attempts, the participant must re-register, participate in the archived version of the activity, and successfully complete it in order to have the opportunity to receive a statement of credit.*

Activity Format & Technology Requirements:

Upon registering for this live webinar activity, pharmacists will be provided a link to the GoToWebinar presentation via a follow-up email, and a call-in number (optional; participants are encouraged to utilize their computer speakers, but are provided a call-in number if desired). Participants may print the handouts associated with this activity prior to viewing.

To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required.

You may experience problems with some wireless connections where signal strength is variable or low.

When using a Mac, select Adobe Reader® as the format to open the handouts, and they will be accessible to open and print.

Financial Support:

There is no commercial support for this activity.
